

Lemon Grove Loyal Order of Moose Lodge 1713

From Our Administrator

Well, it's November, tis the season to give Thanks.

With that being said I would like to thank everyone who comes down to support our Lodge. November 5th thru 11th is Member Retention Week. If your dues are expired, please renew them. And if you know someone whose dues have expired, encourage them to renew theirs as well. Remember our dues go directly to Moose International to help our children and seniors. Reading the article on page six will give you some ideas about Member Retention.

In addition, remember December is right around the corner. This is when we have our Needy Families Event for our local community. There will be a Christmas tree in the Social Quarters with children's names and their list for Santa. If you can find it in your budget and heart to participate in this, these families will have a much happier Holiday Season than they would otherwise. Also, don't forget to bring something to put in the food barrel; non perishable items only.

May you have a Happy and Safe Thanksgiving.

Fraternally,
Ron Woods

Illness and Distress

Sherri Udell's daughter Leeanne is still ongoing with her dialysis, three times a week. She's having a major problem with her blood pressure and they are performing more tests to find the cause. Also, as of this writing, Sue Gilbert will be home by the time you read this. She gave up her walker and is walking on her own.

Member Retention Week

One Week Focus — Year-Long Commitment

November 5-11, 2017

The Moose Fraternity has designated the first full week in November as Member Retention Week, representing an opportunity to celebrate our current members as well as encourage expired members to rejoin the organization. Our fourth annual Member Retention Week will run from November 6 –12. During this time all Lodges, Chapters and Moose Legions are asked to develop a series of activities that will highlight the positive areas of the Moose and reinforce the benefits of membership. Activities across the Fraternity will include Heart of the Community projects, member dinners, fraternal nights, lodge improvement efforts, expired member phone-a-thons, and other programs developed locally.

“Member Retention Week has become a week to highlight the fraternal aspects of our program, a time to raise the roof and let the world know about our fraternity. This is the perfect time to hold an open house, allowing the public to see the good deeds our Lodges/Chapters do, not only for the fraternity, but also for their community. This is also a time to allow our dedicated members to mentor the new members, instilling fraternalism into their everyday lives. Participation by our Lodges and Chapters has increased since the program began; with every Lodge/Chapter knowing that retention is an on-going process. During this week we are asking our members and volunteer leaders to spend just a little more time focusing on activities which will help win back expired members and reinforce your value with your existing members,” states Kim Thompson, Assistant Director of Retention and Recognition in Moose International’s Membership Department. “It’s a great way to strengthen your Lodge, Chapter and Moose Legion, and get more people involved in activities that are vital to membership growth and satisfaction. Hopefully, this will result in a better understanding of the Moose’s mission and an increase in the number of individuals willing to volunteer at the local level.”

Lodges, Chapters and Moose Legions are encouraged to use their existing events and activities as part of their week-long celebration. Early planning is the key, and each Lodge and Chapter has been sent a package of resources, suggestions and information via email that will help them prepare for this week. Additionally, cash and merchandise prize drawings will be held for those fraternal units that conduct activities during this week.

“Member Retention Week is a wonderful way to kick off the holiday season, by creating enthusiasm and an upbeat attitude for the Fraternity,” adds Thompson. “Active members are your most valuable assets – fraternal active members are priceless and are the strength in your foundation.”

Member Retention Week promotional materials can be found on the [Forms & Documents](#) page under Membership.
