Governor Speaks

Well it's 2019. First and foremost, I am pleased to tell everyone our Needy Family Drive was a great success! We delivered packages of food, and gifts for the kids, to 18 families. I would like to thank everyone who made this happen, from all the folks who came to the Luau, to the people who made donations of food and cash, to the generous members who picked names off the Christmas tree and bought gifts for the children, and we haven't forgotten the volunteers who packed all the boxes and delivered them. Everyone should be very proud to have been a part of this event and proud to be a member of our Lodge.

In addition, to those of you who consistently support our functions and dinners and breakfasts, and the volunteers, without whom we wouldn't survive, you all deserve a big thanks and are appreciated much more than you know.

The Christmas Parties for the kiddos and adults were great. With that being said, if you wish to get further involved in the Lodge and it's activities, joining the Board is another way for growth and advancement.

Happy New Year and God Bless Everyone!

**Fraternally,
Ron Woods**

A Note from the Director General

We find ourselves celebrating the last of our teenage years now that it is 2019, with the Roaring Twenties right around the corner! We have a lot of days between now and then, so what to do with our time? Let's remember to celebrate the little and big successes. Last year we saw Calumet-Ridge, Indiana Lodge No. 1258 achieve 100% membership retention – how incredible! Moosehaven's Centennial Hall is complete – how awesome! Twenty-one Associations are showing a gain in membership production versus last year, with Florida-Bermuda leading the way – how fantastic!

Secondly, how about forgiving yourself for the mistakes you made in 2018? We all are human and it's going to happen. Take a deep breath and get back in the game. Let the past be the past and focus on what you can do today. If you are reading this post, then you are likely a dedicated and faithful Moose member. We need your best in 2019 and you have a lot to offer. Let's get moving!

Finally, let's try asking others for help. Stop trying to do it alone and ask (maybe a small amount of begging) for assistance on the next Lodge activity or project. Most of us are inclined to sit on the sidelines and wait to be asked – I was voted best high school dance wallflower in 1986! Push a little and get more members engaged, even it is only one or two. It will make them feel valued and provide an emotional boost to you as well.

Thank you for being a special member of the Moose family this year– we are on a mission to make life better for those around us – you're doing great!

Happy New Year Everyone!!

What an amazing December we had. I want to thank everyone who volunteered and made this past month so awesome. Our kids' Christmas party was a big hit and everyone loved that Santa made time to stop by to hand out the presents to our Moose family. Our Christmas party for the adults was just as good and fun. Maryann Ramos and Carlos Verduzco did an amazing job with dinner. The white elephant gift exchange was so much fun; we had 28 members participate. I hope everyone had a great time at our New Year's Eve party; I was out of town and unable to make it.

This month is a little light as we recover from the holidays. We have the kitchen closed for a short time but dinner/breakfast will be held after the first week is over. Make sure to check out the calendar for details.

Fraternally, Toni Perez, Sr. Regent
