# Senior Regent

Hello Sisters;

As we jump into Spring, this is the time of year when we have the changing of officers and chairpersons within the Chapter. This year's WOTM board of Officers would like to take this opportunity to thank all of our members for their continued support of all of our dinners, fundraisers, our sunshine child Aidan, and our grandma Cris at Mooseheart and Moosehaven. We also would like to thank the all chairpersons and committees for serving this past year.

The board of officers for the upcoming term (2023-2024) will be hosting the Installation ceremony on April 30th starting at 11 AM with brunch to follow.

Our new board of officers and chairpersons have an exciting year planned. Be sure to check the monthly calendar for all upcoming events.

Our final fundraiser dinner for Fraternal Activities will be held on April 28th in the lodge dining room starting at 6 PM. Teresa and Stacy will be serving Pot Roast, salad, roll and a dessert. We hope to see a good turn out for our last dinner. In addition, we will have our very own Gerren Hall be our DJ for the night.

All the best,

WOTM Board of Officers 2022-2023

HEART OF THE COMMUNITY

Hello All,

I am pleased to announce the 2023 dates for the American Cancer Society's Relay for Life events. For the greater San Diego area, there are going to be two relays this year.

The first one is scheduled Saturday, July 29th, 2023 and will be held at the San Dieguito Sports Complex the address is 2275 Calle Barcelona, Carlsbad, CA 92009. It will last from 12pm to 5pm.

The second one is scheduled for Saturday, August 5th, 2023 at this time the location and time are still to be determined. Once the details are available I will send out an additional notice with those details.

In regards to Loyal Orders' involvement this year, in conjunction with our partnership with the American Cancer Society, I have committed our region to raising \$200 total for the charity. Which is a very easy to obtain goal.

For those of you who participated in the walk last year at MiraCosta College, you'll remember that the Relay for Life is an all day event and is an at your own pace walk for cancer research.

As a general reminder, do plan for the weather for since this year both relays will be hosted in middle of Summer, so plan for hot conditions. Hats, sunscreen, light clothing, any Moose related attire and drink plenty of water.

Unfortunately, we all know someone amongst our lodges and in the world who: has, had, or died from cancer. So this event like many of their events is our opportunity to continue to serve our communities and fulfill our heart of the community requirements.

Please if you are interested and are available on or both of the Saturday's we would greatly appreciate your participation and attendance. Last year we had 12 total members from both Lemon Grove and Kearny Mesa participate, but this year let's get at least 30 or more participants.

Thank you all for your attention, and I sincerely hope that you will participate this year.

Best,  
Gerren Hall
