Hello Sisters;

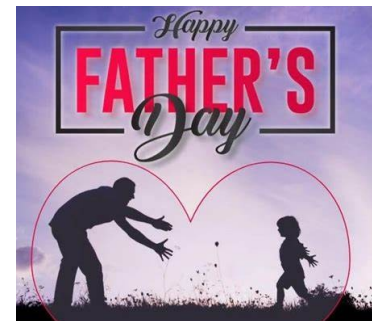

May 12th Friday night dinner was very successful. I hope those that came for Mother Days Breakfast enjoyed it. I want to thank our men who prepared the wonderful breakfast for the moms.

June is going to be a very busy month. The chapter will be preparing a father's days Bunch. We will have our Friday night dinners. Be sure to check the calendar. I will be bringing back new information from Convention.

I just found out from our magazine that we now have children on a waiting list for Mooseheart.

Until next time be safe.

Senior Regent

HEART OF THE COMMUNITY

Hello All,

I am pleased to announce the 2023 dates for the American Cancer Society's Relay for Life events. For the greater San Diego area, there are going to be two relays this year.

The first one is scheduled Saturday, July 29th, 2023 and will be held at the San Dieguito Sports Complex the address is 2275 Calle Barcelona, Carlsbad, CA 92009. It will last from 12pm to 5pm.

The second one is scheduled for Saturday, August 5th, 2023 at this time the location and time are still to be determined. Once the details are available I will send out an additional notice with those details.

In regards to Loyal Orders' involvement this year, in conjunction with our partnership with the American Cancer Society, I have committed our region to raising \$200 total for the charity. Which is a very easy to obtain goal.

For those of you who participated in the walk last year at MiraCosta College, you'll remember that the Relay for Life is an all day event and is an at your own pace walk for cancer research.

As a general reminder, do plan for the weather for since this year both relays will be hosted in middle of Summer, so plan for hot conditions. Hats, sunscreen, light clothing, any Moose related attire and drink plenty of water.

Unfortunately, we all know someone amongst our lodges and in the world who: has, had, or died from cancer. So this event like many of their events is our opportunity to continue to serve our communities and fulfill our heart of the community requirements.

Please if you are interested and are available on or both of the Saturday's we would greatly appreciate your participation and attendance. Last year we had 12 total members from both Lemon Grove and Kearny Mesa participate, but this year let's get at least 30 or more participants.

Thank you all for your attention, and I sincerely hope that you will participate this year.

Best,  
Gerren Hall
